STATEMENT ON RESPONSIBLE SOURCING (CONFLICT MATERIALS)

The EuroTech Group plc, as a supplier of made to order Printed Circuit Boards (PCB), through both its manufacturing facility at Exmouth and through its accredited offshore subcontract PCB manufacturers, is committed to providing products which are safe with respect to the environment, human health and welfare.

In that regard, The EuroTech Group plc takes note of the requirement to responsibly source materials from suppliers that do not use, either wholly or in part, materials that have been produced in the Republic of the Congo or its adjoining countries. The EuroTech Group plc has assessed its supply chain and can confirm that all of the materials listed below are sourced responsibly throughout our supply chain:

- Gold
- Tin
- Lead
- Silver
- Nickel

The above list applies to these materials bought in either metallic form or otherwise.
